

Our client is a growing family practice in Lagos that places strong emphasis on the delivery of high quality patient-centered family medicine.

As a result of expansion and strategic initiatives aimed at delivering increased value to patient experience, career opportunities exist for high performing professionals that can contribute in a rapidly growing organization.

**Position: Senior Nursing Officer**

**Location: Lagos**

The Role:

The selected candidate will be responsible for the delivery of nursing care to patients. She will deliver care within the boundaries of her role, focusing upon supporting patients to be healthy, disease prevention and screening activities. S/he will work collaboratively with the rest of the practice team to meet the needs of patients.

**Duties and responsibilities**

- Work with the rest of the medical team to assess, plan, develop, implement and evaluate programmes to promote health and well-being of patients.
- Assist physicians in the delivery of high quality patient care.
- Support patients to adopt health promotion strategies that promote patients to live healthy and encourage principles of self-care.
- Implement and participate in vaccination and immunization programmes for both adults and children.
- Promote and deliver evidence-based care for patients
- Work effectively with the team to clearly define values, direction and policies impacting upon care delivery.
- Participate in team activities that create opportunities to improve patient care

**Qualifications and experience**

- A Bachelor's Degree in Nursing.
- Additional qualification will be an advantage.
- Minimum of five years post qualification experience.

## **Key competencies and attributes**

- Good analytical skills
- Attention to details
- An uncompromising focus on excellent service delivery
- Strong communication and organizational skills
- Exceptional client interaction and relationship management skills
- Innovative approach to resolving challenges
- Flexibility and Enthusiasm
